

INTERNSHIP COMPLETION CERTIFICATE

February 07, 2022

Dear Aashima,

Please treat this letter as confirmation towards your internship with us for 3 months (November, 2021-Jan, 2022).

During your internship we found you very inquisitive and your initiatives helped immensely to complete the Android version of the app which helped thousands to get jobs which otherwise wouldn't have existed.

Your market survey and ideation of project "healthcare for all" directly or indirectly saved and continue to save many lives.

We wish you all the success in your life and career.
