

**INTERNSHIP COMPLETION CERTIFICATE**

July 04, 2022

Dear Aashima,

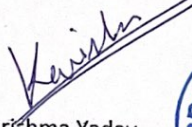

This email is to certify your successful completion of internship program "Get me Wings" from April2020 - June2020.

Your contribution to creative ideas and to developing soft skills program for nurses along with effective communication of the guidelines helped 28 nurses to get a better future and are happily settled in the UK.

We would also like to appreciate your initiative and compassion during the second wave of COVID-19 by advocating and organising Mental Health webinars for healthcare professionals in June2021.

We wish you all the best for your future.
